In response to applicant's filing dated July 10, 2003. The following action is taken:

Claims 1-14 are allowed.

The following is an examiner's statement of reasons for allowance: none of the cited prior art shows or teaches an optical disk recording apparatus having a first and second recording powers, wherein the second power is larger than the first power level. The second power is provided before the and after the first recording power. A pulse generating control means for controlling the second recording power by varying the width based on the length of the pit and land formed thereon as shown in fig 5.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication should be directed to NABIL Z HINDI at telephone number (703) 308-1555.
